

STATE OF IOWA  
DEPARTMENT OF COMMERCE  
UTILITIES BOARD

IN RE:  DIGITAL TELECOMMUNICATIONS, INC.	DOCKET NO. TCU-01-18 TF-01-325
	CERTIFICATE NO. 0242

**CERTIFICATE**

(Issued November 26, 2001)

On October 19, 2001, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (2001), to Digital Telecommunications, Inc. (DTI). In the order, the Board approved the concurrence of DTI in certain exchange maps of Qwest Corporation, and stated that DTI would be issued a certificate when it had given notice to all affected local exchange carriers and had an approved tariff on file with the Board.

On October 26, 2001, DTI filed a proposed tariff that reflects the prices, terms, and conditions of its provision of resale local exchange service. DTI filed revisions to the tariff on November 13, 2001. The proposed tariff has been identified as TF-01-325. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since DTI will have an approved tariff to provide local service, the Board will issue Certificate No. 0242, authorizing DTI to provide local exchange service in the Qwest exchanges.

**IT IS THEREFORE ORDERED:**

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizes Digital Telecommunications, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
